

Laser DIMENSION MASTER®

Ultrasonic Distance Measurer with Laser Aimer/Pointer

**Real Estate • Contractors/Builders • Interior Decorators • Remodelers
Tiling/Carpeting • Painting/Wallpapering • Estimating & Assessor Work**

Simple, yet powerful ultrasonic distance measurer with pivoting *two-position measuring head* feature for maximum versatility and convenience. The **Laser Dimension Master** is the ideal tool for estimating distances up to 50 feet indoors. Perfect for real estate, interior decorating, carpeting, painting, tiling, estimating and assessor work and much more!

Unique two-position measuring head works with or without laser, in both positions.

Actual size:
1.875" x 5" x 0.75"

Product No. 3330
U.S. Patent No. 4,975,889

- Use Laser as an Aimer or Pointer to Ensure Accurate Measuring
- Measures Up to 50 Feet Indoors With Accuracy to 99%
- Two-Position Measuring Head for Versatility, Convenience
- Handy "Pocket" Size! Easy to Carry in Pocket, Purse, Briefcase
- Fast, Accurate! Ultrasonic Speed for Distance Estimates

■ Fast, Accurate

You can measure from 2 feet (61cm) up to 50 feet (15.2m) indoors with 99% accuracy.

■ Versatile Two-Way Measuring

Unique *two-position measuring head* allows for dual-position use. You can use the most convenient, most comfortable position for taking a measurement. Use it with or without the laser aimer, or just as a laser pointer.

■ Narrow Beam Design

Permits broader use...even in applications where furniture or fixtures are present.

■ Continuous Measurement Mode

Lets you find a desired distance by moving towards or away from target.

■ Measurement Verification

Unit automatically verifies measurement with built-in error checking program.

■ Compensates For Its Own Size

Automatic compensation for unit depth using either measuring position.

■ Simple, Easy-to-Use

"Point and Shoot" ultrasonic technology lets you take a measurement with a single press of a button.

■ Easy-to-Read LCD

You can set your *Laser Dimension Master* to display measurement estimates in Feet-Inches or in Meters.

■ Includes Everything You Need:

Battery-saving automatic shut-off, easy-to-follow instructions, lifetime Lithium battery, three replaceable batteries for the laser, vinyl carrying case with belt loop and a 1-year limited warranty.

FAST...ACCURATE...EASY-TO-USE!

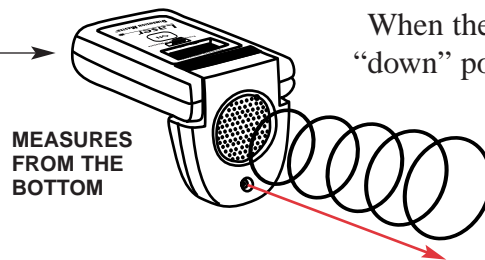

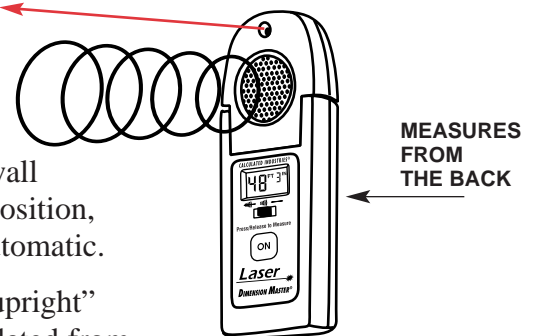

Look how simple using the Laser Dimension Master can be...

3 WAYS TO USE THE LASER DIMENSION MASTER

- 1** **MEASURE ONLY** (no laser)
Move switch to middle
- 2** **MEASURE with LASER AIMER**
Move switch to far left
- 3** **LASER POINTER ONLY**
Move switch to far right

The *Laser Dimension Master* is equipped with a “swivel” head to permit easy floor to ceiling and wall to wall measurements. In either position, compensation for unit depth is automatic.

When the swivel head is in the “upright” position, measurements are calculated from the “back” of the unit.

When the swivel head is in the “down” position, measurements are calculated from the “bottom” of the unit.
